3	<p style="text-align: center;">متن زیر را بخوانید و به سوالات آن پاسخ دهید.</p> <p>The Dekhoda Dictionary is the largest comprehensive Persian dictionary ever published, consisting of 12 volumes (more than 220111 pages). It is published by the Tehran University Press (UTP) under the control of the Dekhoda Dictionary Institute. It traces the historical development of the Persian language, providing a comprehensive resource to scholars and academic researchers, as well as describing usage in its many variations throughout the world. The complete work is a progressing effort that has taken over 4 years of effort by Ali Akbar Dekhoda and a team of other experts. Although Dekhoda covers a big part of literary terms and words in Persian, the first edition of it lacks most scientific and technology terms coined by the Academy of Persian Language and Literature during the past decades. However the newer editions cover them. Dekhoda states in the preface of the first edition of the dictionary that "Not only does this book miss 2/3 of today's entire Persian vocabulary; at least half of the words I knew were forgotten and not recorded in this book." Many of those words were added in newer editions published after his death. The newer editions have been published by the University of Tehran.</p> <p>45. The underlined word "It" refers to : a. Dekhoda Dictionary Institute b. The Dekhoda Dictionary c. UTP d. Tehran University</p> <p>46. The word "comprehensive" in the first line mean: a. complex b. understandable c. communicative d. complete</p> <p>47. Who compiled the book?</p> <p>48. Why Dekhoda Dictionary is so important to Persian language?</p> <p>49. The first edition of the dictionary included the entire words and terms. True False</p> <p>50. There are no technology terms in the newer editions of the dictionary. True False</p>	L
