	M.Reading Comprehension- Answer the following questions <u>according to the</u> <u>passage</u> .(3.5)						
	<ul> <li>Feeling tired, nervous or angry? Take a deep breath. It's one of the most relaxing and energizing things you can do. Try taking a deep breath right now. Feel how new energy goes throughout your body. Breathing is a very easy, natural, and beautiful thing to do. It's really bad that most people do not know how to do it correctly!</li> <li>Correct deep breathing is a lost art, and breathing is the basis of all normal activities for all living things, for human beings it is the most necessary activity. It affects our health, our mental health and our lifespan, i.e. we can live longer if we know how to breathe correctly. Scientists believe that we can live without food for some days, but we can live only for a few minutes without air.</li> <li>Early man did not have to learn the art of correct breathing because of his lifestyle.</li> <li>Fresh air, a natural environment, continuous movement and a large variety of natural physical activities made early man a good breather. However modern man lives far from natural life and physical activity. And one of the prices modern man pays for civilization is anxiety and stress, probably the most important reason is: man has forgotten how to breathe correctly.</li> <li><b>1. We can understand from the passage that early man could breathe better than modern man because of his lifestyle</b>. a. True b. False</li> <li><b>2-According to the passage, good breathing can affect only our physical health, and not our mental health</b>.</li> </ul>						
	<b>3-According to the passage, deep breathing</b> a. cures your illnesses c. makes you nervous and angryb. improves your way of thinking d. increases your energy						
	4-According to the passage, people who breathe correctly,a. can live without foodc. are called artistsb. may live longerd. have strange mental conditions						
	5-Which of the followings is not mentioned about natural life?a. fresh lifeb. climbing mountainsc. physical activitiesd. natural environment						
	6- What is the probable reason for the nervousness -the side effect of civilization?						
	Good luck
