Reading Comprehension:

Read the passage carefully.

There are several types of dictionaries. Dictionaries which explain words and how they are used; dictionaries which translate words from one language to another; dictionaries of biography which tell about famous people; and technical dictionaries which explain the meanings of technical words. A good dictionary also gives more information about words and how they are pronounced and list all the meanings of words to help people find the meaning that they look for. Usually the International Phonetic Alphabet (**IPA**) is used for this purpose. A complete dictionary also tells you about the origin of words and the story behind **them**. For example, the words like 'pajamas', 'bazaar' and 'paradise' entered English from Persian.
