۳	<p>Reading</p> <p>متن زیر را بخوانید و به سوالات به صورت خواسته شده پاسخ دهید.</p> <p>Some people prefer to provide help and support directly to those in need. However, others prefer to give money to national and international charity organizations. Giving money to those in need can be a personally good experience, but there is a choice between donating nationally and internationally through charities or giving directly to those around you. One of the advantages of providing direct support is that you can know exactly how your money is spent. Another benefit is that you can see the impacts on those you are helping, which can lead not only to great personal happiness but also to respect from others who appreciate the work you do.</p> <p>There are advantages in giving to charities that are national and international. First and the best is helping in problems of global importance, such as curing diseases and human rights or helping those who are in bad environmental events like earthquakes and floods.</p> <p>In conclusion a person should make their own choice in helping others. The important point is that we continue to give to those who are more in need than ourselves.</p> <p>31. What can it lead to when you see the impacts on those you are helping?</p> <p>32. What is the important point in helping others?</p> <p>33. Helping people in bad environmental events has the global importance. a. True b. False</p> <p>34.
