A dictionary is a very important tool for anyone who is learning a new language with a good one you can do the following: you can look up the meaning of an English word you see or hear ; to find a word quickly; you need to know the English alphabet perfectly. for words with more than on meaning you should choose one makes more sense in the content, checking the spelling and pronunciation are other facilities that a dictionary offers. Also to check the plural of a noun part of speech or past tense of a verb , a dictionary is helpful . Likewise a dictionary provides readers with synonyms or antonyms, collections and grammatical information about a word too. In summary, learning a new language is fun by the use of dictionary.

41. what can we check in a dictionary ?
