C. Read the passage and answer the questions. (2/5 po

Are you a busy person who is always on the go and doesn't have a lot of time but still wants healthier? Don't worry, you're not alone. Most people want to get healthy,fit, and look younger yet they can't seem to find the time for it. (-يغى نكاتHere are four tips for healthy living on the go.

1. Enjoy a glass of water first in the mo

If you haven't got time for anything else in the morning, make time to drink a big gla water. Our body loses a lot of oxygen through the night and to make our cells refresh, we need to supply them with water and oxygen.
2. Get some fresh fruit on your wa

Wherever you're going- whether it's a walk or drive to the supermarket or on your wa) meeting- pick up some fruit and eat them. They contain vitamins and sugar that are required for our body. So never forget to have enough servings of fruit every day.
3. Exercise on t

If you work in an office, get up every 30 minutes and go for a walk. If you have an office stairs, run up and down the stairs every couple of hours. Get your muscles moving and your blood flowing.
4. Deep brea

When you have time - at your desk, driving, cooking food - do some deep breathing. Exchange of $\mathbf{o}$ and carbon dioxide is one of the best things we can do for our blood circulation and cells.

What do the underlined words refe 49. they:
50. them:

Read the sentences. Under which headings the following ideas are discus
51. Our body needs water because of losing a lot of oxygen during the night.
52. Move your muscles and improve your blood circulation by doing some exercise.

Languages vary greatly from region to region. They are so different that a person does not under the language of someone from another region, country or continent. So, it is not surprising to hear that today about 7000 languages exist in the world. There are more than 2000 languages in Africa, 1000 in the Americas, more than 2250 in Asia, about 230 in Europe, and more than 1300 in Australia.

Native speakers of these languages range in size from very large, with hundreds of millions of spe to very small, with fewer than 10 speakers. The most popular language in the world is Chinese. More than one billion people in the world speak Chinese. English does not have this number of native speakers, but it has around one billion learners around the world. They learn English as an international language.

All languages are really valuable, despite their differences. Every language is an amazing mea communication that meets the needs of its speakers. It is impossible to imagine the world without language. Therefore, we must respect all languages, no matter how different they are and how many speakers they have.
53. Skim the Reading. Circle the main a. All languages are really valuable, despite their differ $b$. The number of native speakers of each language varies from region to $r$ c. Languages vary greatly from region to $r$
