4	PART D: READING					
	<p>O: Read the following texts carefully and answer the questions</p> <p>There are many words in English language. It's impossible to count the number of words in a language. Have you ever thought about where English words are from? Did you know many English words Come from other languages? Many basic English words come from Old English, such as, England, house, woman, man, child, water and etc. Other English words come from Latin, like, family, number, school, educate. Some English words come from French .For example hotel and menu are two French words. Today English is an international language. Thousands of English words come from other languages. Every year hundreds of words come into English from new technology, e.g., internet, text message, email and ...</p> <p>English speakers have “stolen” words from other languages and added them to English. That is known as "loanwords" or "borrowings," which are derived from other languages. The next time you hear one tell your friends where the word originally came from!</p> <p>42. How many words are there in English language?</p> <p>43. Which words are called loanwords?</p> <p>44. How do words come into English language every year?</p> <p>True or False</p> <p>45. It's possible to count the number of words in a language.</p> <p>46. English words don't come from other languages.</p>					14

P: Read the following texts carefully and answer the questions

There are many things you can do to have a healthy life. Many people know that eating healthy food and exercising are two of them. Something else with positive effects of human health is to spend time outdoors, in nature.

When you are outdoors, you are in the sun, and it helps the production of vitamin D, which help Many parts of the body work properly such as the brain, heart, skin and bones.

Spending time outdoors can also help decrease the chance of gaining weight. People are inactive Inside and eat snacks. These lead to weight gain. But when people are outdoors, they are active.

This activity can help control weight.

Being outside has a positive effect on personal relationships. When people are outside, they do things with people. This can lead to an improved social life, which has been shown to make people happier.

Many people spend long hours at work where they spend most of the day outside. After such a day, spending some time outside will have a calming effect, which can decrease stress.

Being outside can also give you energy if you feel tired. Fresh air helps increase the amount of oxygen in your body. So next time you're feeling a little down, head outside. Chances are you'll feel better for it.

True / False

47. Vitamin D helps the brain, skin, heart and bones.
