Japan. You go to so in school. A learning all can also hap take a trip. I yourself by People in Ja arranging ar	You go to school and learn. You study. You take tests. But learning doesn't happen in school. And learning doesn't stop when you finish high school or college. You are learning all the time. For instance, learning can happen when you go to a museum. It can also happen when you get a job. You learn when you play a sport or when you take a trip. Learning is life! We never stop learning. Every day, you can improve yourself by learning something new. In Japan lifelong learning is very important. People in Japan are willing to try new learning activities. Music, calligraphy, flower arranging and foreign languages are some of their favorite classes. The Japanese take classes to boost their skills and learn new things. So, make lifelong learning one of
