۳	<p>Read the passage and answer the questions :</p> <p>Jungles are always useful to men in many ways. Wood is necessary for making all kinds of things. Countries which have a lot of trees , get more rain than those which are treeless; and wherever trees grow especially on mountains, they stop heavy rain from washing the earth away into the valleys and leaving only rocks. But long ago men were so afraid of jungles, and feared to go into them. It was easy to lose one's way ,for the roads were often difficult to follow. A very real danger was wild animals. Today ,however, everybody thinks more of beautiful things in a jungle and less the danger.</p> <p>48. Is wood necessary for making doors and boats?</p> <p>49. If we destroy our jungles , we'll have less rain, a) true b) false</p> <p>50. Heavy rain washes the earth into the valley. a) true b) false</p>	۱۳
