2				تن زیر را خوانده و به سوالات آن پاسخ دهید.	Н				
	Language is a sys	tem of sounds, gestu	res, or characters for	communicating among people in the					
	world. People use	world. People use language to communicate with each other. They exchange knowledge, beliefs,							
	_	and the world use gestures and body							
	movements to ex	movements to express their ideas.							
	Languages are always changing, but, they change very slowly. People invent new words for their								
	language, take words from other languages, and change the meaning of the words as needed.								
	The most popular	he most popular language in the world is Chinese. More than one billion people in the world							
	speak Chinese. Interestingly, English has fewer native speakers than Chinese, but there are about one billion learners of English all around the world.								
	All languages are really valuable. It is impossible to imagine the world without language.								
	Therefore, we should respect all languages, no matter how different they are and how many speakers they have.								
	True / False								
	23. Russian is the	23. Russian is the most well-known language in the world. (True – False )							
	24. According to the passage, we should respect only our own language. (True – False )								
	25. Do languages change very rapidly?								
	26. Which language has the most native speakers?
