### Passage 1

An endangered language is a language that has very few speakers. Nowadays, many languages are losing their native speakers. When a language dies, the knowledge and culture disappear with it. A lot of endangered languages are in Australia and South America. Some of them are in Asia and Africa. The number of live languages of the world is around 7000, and many of them may not exist in the future. Many researchers are now trying to protect endangered languages. This can save lots of information and cultural values of people all around the world.

13

What is endangered language ?.....

14

How many live languages of the world is ?.....

15

Which continents have a lot of endangered languages?.....

16

The endangered languages are losing their native speakers. T  F 

17

A lot of endangered languages are in Asia T  F 

نمره ۳/۵

**Passage 2****Hints for learning a language better**

Learning a new language doesn't always mean sitting in the classroom and studying language books. In fact, language teachers suggest you to do plenty of extra learning outside of school, places like your home or a library near you. There are a number of ways to improve your understanding of the language. For example, if you want to improve your English or any other foreign languages, you should consider some of these hints. If you add a few of these ideas to your day-to-day language learning, you'll certainly see some improvement.

- Get a good dictionary .A dictionary is your best friend while you're Learning English.
- Read a lot. Reading is a great way of practicing your English in your own time. Books and newspapers are useful to improve your English.
- Label things in your house. Buy a pack of labels and then write the name of items on them, such as phone, window, etc. This is great for beginners.
- Practice English whenever you can. It's important that you don't leave your English learning inside the classroom .Make sure you never escape learning.
- Write everyday. Try and write something everyday using new words And grammar that you've learned.
- Watch television and movies and listen to good radio programs.
- Practice every day. Make yourself a study plan. Decide how much time a week you are going to study.
- Don't be afraid to make mistakes. Be confident when speaking or writing in English.
- Practice all four language skills: Reading, writing, speaking and listening.

**A. True or False?**

18. Classroom is the only place to learn a foreign language. True  false

19. You can improve your English if you use different types of media. .

20. True  false
