**3 L) Read the passage and answer the questions.**

My summer holidays are often a little boring, but my summer holiday last year was great-my family and I flew to Vancouver! It was our first time to visit Canada. We got up very early almost every day and did lots of really fun. On our first day, we visited Stanly Park and the Vancouver Art Gallery. Later in the week, we visited some museums and then got on a special boat to watch whales. It was fantastic! I took lots of photos. Of course, we also visited our cousins who live in Vancouver. One evening, we ate at their home. After we finished our food, we invited them to come to our home one day. Unfortunately, we didn't swim in the ocean because the water was too cold, but we did many other fun things. Finally, after two weeks, before we left Vancouver, my family and I went shopping and bought lots of souvenirs to help us remember our time in Canada. Maybe we can travel again during my next summer holiday. Maybe we can make plans to visit Japan or Brazil!
