**How to use a dictionary**

A dictionary is one of the most important tools for everyone who is learning a new language. With a good dictionary you can do a lot of things such as looking up the meaning of an English word you see or hear. It also gives examples of how to use the words in sentences correctly. Therefore, it is necessary to know how to use a dictionary. To use a dictionary you need to know the English alphabet perfectly. For words with more than one meaning you should choose one makes more sense in the context. Checking the spelling and pronunciation are other uses that a dictionary offers. Likewise , a dictionary provides readers with synonyms, antonyms, collocations, and grammatical information about a word. In short, learning a new language is fun by the use of a suitable dictionary.
