B:Reading comprehension.
Mahmud farshchian is a master of persian painting. He was born in the city of Isfahan. He is one of the most interationally well-known artists in Iran. One reason is that he used historical art techniques and his own modern ideas to make a new style of painting. Master farshchian also has an important role in introducing Iranian art to the international societies. He has written six books, one of them is " paintings of Divan of Hafez" which is full of painting about Hafez and his poems. He has also spoken in many places and universities around the world about art and painting. Besides, he has won many prizes including the Gold Medal of Highest Honor. Many famous art museums of the world like paris and New york have shown his painting until now. There is also an art museum in the Sa'ad Abad palace just for Master farshchin's paintings.
