appreciate the teachers who are dedicated to their jobs. Even if you feel you have too much homework and too many exams, take a moment to think how important your teachers are. Without them, you wouldn't be where you are today. Teaching requires a lot of time, preparation, and effort. Outside of the class, teachers write lesson plans, create exams and grade tests. They also attend conference and training sessions to find tools and ways to help students succeed. Teachers are very knowledgeable on the specific subjects they teach. However, it takes a helpful and dedicated individual to be able to teach effectively. Teaching requires them to stay up-to-date on advances in their field of study. They are busy with a wide variety of responsibilities. Teachers need to make sure that they know all their students' names and they must learn them quickly. One way of having a productive class is learning students' names. This article has given you some insight of the hard work and dedication that your teachers use each day at school. Then next time that you see your teachers, tell them you appreciate their help.

A dictionary is a collection of words ranging from letters A-Z. When reading or writing a story, an essay, a paragraph or even a sentence, using a dictionary is a great help. There are many advantages of using a dictionary. So, using a dictionary is important for students. The first advantage of using a dictionary is pronunciation. We can also listen to the pronunciation of the words if we use an audio dictionary. The second advantage of using a dictionary is checking out a word's right spelling. The third advantage of using it is learning a word's part of speech. It is one of the types into which words are divided in grammar according to their use, such as noun, verb, or adjective. Lastly, example sentences are mostly available. Seeing specific words used in a sentence can provide more context and help you better understand proper usage. However, searching words by using a dictionary takes a lot of time. By using a talking dictionary, we are able to look the words up in a few minutes. As a result, a dictionary is a great help for everyone, especially students who are learning a language and who are interested in language learning.
