13	<p>Read the following passage and choose the best answer for each question.</p> <p>As humans, we develop habits and we follow them in life. Many of our habits are healthy, but most of us also have a number of unhealthy habits. It is necessary that we try to take good habits or change unhealthy habits to better ones.</p> <ul style="list-style-type: none"> • One of the most important healthy habits is to follow a balanced diet each day. Eat a medium-sized breakfast, followed by a light lunch and dinner. Eat a lot of nuts, seeds and fresh fruits and vegetables between your meals. Drink plenty of water and cut down on foods high in cholesterol, fats and sugar. Do not eat a lot, and eat only when you are hungry, never because you are bored, sad or stressed. A regular, balanced diet is important to your physical health. • Many doctors say we should keep the same sleep program seven days a week. Sleep in a dark room without disturbing sounds such as music or other noise. If you often have difficulty going to sleep, ask your doctor about other ways to relax before bedtime. • The human body needs regular exercise for health, but many people do not get enough exercise. Regular good exercise can help prevent diseases, such as high blood pressure. • When life gets difficult, many people do not know how to control their stress. Talking and 			2
