2	<p>L: Complete the following passage with the given words. (donate - blood – gift – daily)</p> <p>One of the most important parts of the body is(32) . The heart pumps this red liquid around the body. This wonderful liquid is a great(33) from Allah. We can thank Allah by keeping our body healthy. One way to do that is eating healthy food and doing(34) exercises. Another way is to(35) our blood to those who need it.</p>	12
4	<p>M: Read the passage and answer the question</p> <p>Earth is the planet we live on. It is the fifth largest planet and the third planet from the sun with only Mercury and Venus being closer. It is the only planet known to have life on it. It is one of four rocky planets on the inside of the Solar System. The other three are Mercury, Venus and Mars. It is the largest of the rocky planets moving around the sun by size. It is much smaller than Jupiter. Earth is the only planet in our solar system that has a large amount of liquid water. About %70 of the surface of Earth is covered by oceans. No other planet has oceans, other life forms, and enough oxygen. Because we have so much water, Earth is called the blue planet. Because of its water, Earth is home to millions of species of plants and animals.</p> <p>36. Why is the earth called the blue planet?</p> <p>37. Which planets are rocky?</p> <p>38. Earth is the largest rocky planet. a. True b. False</p> <p>39. There is life on other planets. a. True b. False</p>	13
