**O. Read the following text and answer the questions.**

Mr. Jack Smith's doctor advised him on healthy eating habits in his email. Read the email and answer the questions.

Fruits such as oranges, apples, bananas and vegetables like spinach, green beans, and broccoli are very necessary for our body. People should eat grains and proteins. Meat and bean are primary sources of protein and as you know protein is very important for proper muscle and brain development. People should also take dairy products such as milk because they provide calcium, vitamin D, and other essential nutrients.
