۱۲- متن زیر را با دقت خوانده و به سوالات آن پاسخ دهید.

Art is what people create with imagination and skill. As a part of culture, it shows the way of life and identity of a nation and reflects the history of a society. In fact, the history of humankind is the history of art. If we want to know a country or a nation well, we should study its art.

Culture is defined as a system of shared beliefs that are common in a society. Often, we think of the food, music, and clothing and holidays that are common in a society as its culture, but these are only some of the elements. Other elements include customs, values, behaviors and artifacts.

With more than one hundred and ninety countries and seven billion people on earth, it is not hard to imagine that many cultures exist. People around the world have different lives and ways of living. They have different beliefs and customs. So **they** usually live and behave according to what they believe to be right or wrong.
