But she always said, "No, I like driving. I've driven for fifty years, and I'm not going to stop now."</p> <p>Last Saturday she stopped her car at some traffic-lights because they were red, and then it did not start again. The lights were green, then yellow, then red, then green again, but her car did not start. "What am I going to do now?" she said.</p> <p>Then two policemen came and said to her kindly, "Good morning.
